BETTER OFF DEAD

John Cusack, David Ogden Stiers, Diane Franklin and Kim Darby star in BETTER OFF DEAD. It's an off-the-wall comedy about life's little setbacks that proves, when all's said and done, we're better off laughing!

Lane wants to end it all. But Monique is just getting started. He's a typical teenager with an outrageously funny, not-so-typical way of handling his problems. Finally, things seem so bad, Lane thinks he's "better off dead."

Thanks to Monique, he's never been so wrong in his life!

We interrupt this magazine to bring you this important Nerd.

You think you're being interrupted? Imagine how Joe (Cameron Dye of "Valley Girl") and "Mother" (Tim Robbins of "The Sure Thing") feel. They're out on a fraternity vacation with Wendell Tvedt (Stephen Geoffreys of "Heaven Help Us"), the ultimate nerd.

The hi-jinx and low jinx begin when everyone tries to score with beautiful but uninterested Ashley.

As the story develops, surprisingly, Wendell does, too. He picks up a girl in a disco, falls through a window, befuddles a police chief and, eventually, befriends Ashley.

So come along for a "Fraternity Vacation." But hurry. The nerd's already out.

Well, it all depends on how you look at it. And from Jonathan's point of view, driver's education has nothing to do with driving.

Westerburg High's elite quartet is "The Heathers" composed of the powerful Heather Chandler, the green with envy Heather Duke, and the cowardly Heather McNamara. Rounding out the foursome is Veronica Sawyer (Winona Ryder), who is so fed up with the Heathers and the entire peer pressure cooker that she starts running with J.D. (Christian Slater), a motorcycle-riding newcomer. But what begins as their noble effort to rid Westerburg of its bad apples, ends up taking a real toll. And their teen rebellion produces a serious and mounting body count.

For people who take their fun seriously.

Janey's (Sarah Jessica Parker of "Footloose") wildest dream is to become a dancer on "DTV," the hottest dance TV show there is.

The nuns at her school are against it. Her father, the Colonel, is too. But Janey teams up with her best friend, Lynne (Helen Hunt of "St. Elsewhere") and they triumph against all odds, including some nifty, as well as shifty, competitors.

As the finger poppin', show stoppin' music and dance numbers build, Janey's slickest moves are getting around her competitors, getting around the dance floor, and giving it all she's got.

So put up your feet, and enjoy. Or dance along, because when girls just want to have fun, everyone else does, too.

New Footage Added.
Only On Videocassette.

COLORS brings you as close as you can get to street-gang violence and still walk away. Bob Hodges (Robert Duvall) is the veteran cop who's looking forward to retirement. In a world where gangs kill each other just for wearing the wrong colors, the last thing he wants is a hot-tempered rookie for a new partner. But that's just what he gets in Danny McGavin (Sean Penn). In a crash course of drive-by shootings, Hodges lets him learn the hard way. As the two men make peace between themselves, they're forced to risk their lives—to bring peace to the war raging on the streets of L.A.

MAXELL. THE TAPE THAT LASTS AS LONG AS THE LEGEND.

He was inarticulate and eloquent. A generation of adolescent rebellion expressed in surly manners and sensitive speech. He left behind a small but remarkable legacy of work. At Maxell, we help you preserve his films, with tapes that are manufactured up to 60% above industry standards. Tapes that will deliver the same great quality and clarity after 500 plays. So as long as there are rebels without causes there will be the movies of James Dean to reflect their struggles and light their ways.

MAXELL. THE TAPE THAT LASTS AS LONG AS THE LEGEND.

"Wow!" The world said, from the very first time she stepped onto the big screen. And through 29 films she remained the delicious dessert of movie goers everywhere, and the very best part of every man's fantasy. Today Maxell helps you preserve her films, with tapes that are manufactured up to 60% above industry standards. So even after 500 plays her sensual beauty will light up your consciousness, just as it did in the early fifties, when the world first discovered the magic of Marilyn Monroe.

STARRING: Laurie Smith, Paul Thomas, Robin Cannes Richard Pacheco, Gale Sterling, Billy Dee, & Mai Lin.

SEX WARS is an erotic take-off on the Space Saga films of late. It is the first adult film with major studio sci-fi flash and flesh. Reviewers have called this film the "BEST ADULT FILM EVER PRODUCED."

10,000 years have passed since an erotic war destroyed all known life on the planet Tyros, in the star system of Lesbos. Mysteriously, in recent years, space ships have often vanished when navigating in that region of space. To quell spreading fears, the galactic federation sent out a cruiser class starcraft to investigate the strange occurances around Tyros. It also vanished. A rescue mission is sent; manned by Brinker Duo, Mark Starkiller, Princess Layme, and of course, the robot 4-Q! What follows are some of the most erotic scenes ever filmed; to divulge any more would spoil the surprise ending. May the farce be with you!

Since we also feel that this is clearly the best adult film of all time **WE GUARANTEE THAT YOU WILL ENJOY IT COMPLETELY!** Period! If you disagree just send it back, no questions asked, and we will exchange it for the adult movie of your choice -- all you pay is shipping.
